It is a criminal offence to fail to notify the Monitoring Officer of any disclosable pecuniary interests (DPIs). This requirement arises in each of the following circumstances:

- (a) before the end of 28 days beginning with the day on which you become a member or co-opted member of Southfleet Parish Council (s30(1) Localism Act 2011));
- (b) where the DPI is not entered in the Southfleet Parish Council's Members' Register of Interests and is not the subject of a pending notification, but is disclosed at a meeting of the Council (or any committee, sub-committee, joint committee or joint sub-committee) as required by s31(2) of the Localism Act, within 28 days beginning with the date of the disclosure (s31(3) Localism Act 2011));
- (c) where the DPI is not entered in Southfleet Parish Council's Members' Register of Interests and is not the subject of a pending notification, within 28 days beginning with the date when you become aware that you have a DPI in any matter to be dealt with, or being dealt with, by you acting alone in the course of discharging a function of the Council (s31(7) Localism Act 2011)).

It is also a criminal offence to knowingly provide information that is false or misleading (or being reckless as to whether the information is true and not misleading).

As the legislation has been introduced mid- electoral term, the Council will be recommending that the completed form is returned to the Monitoring Officer within 28 days of the new Code being adopted.

To the best of my knowledge, the information given in this form is complete and correct.
